

**Development Stage
STROPOLY®**

**Production Stage
STROPOLY®**

**Development Stage
STROPOLY®TEC**

**Future Growth
STROPOLY®TEC**

- Technical investigations, engineering and development production technology
- Preparation production plant STROPOLY® Guestrow

- Extensive technical tests with new binding agent and different raw materials
- Adjustment production technology + machinery
- Foundation LBTS 2012® GbR
- Foundation Stropoly Technologie GmbH

Research + Development
Technical Lab Investigations

Operating Production plant
Guestrow / Germany

Development new unique
STROPOLY®TEC Binding Agent

- Production plants Germany and worldwide
- Quick growing global market
- STROPOLY®TEC becomes global market leader of sustainable and energy-efficient Building materials,
